

OUR MISSION

Under the Authority of God and His Word, and in commitment to Christ and His church, the Harborlight Baptist Ministry exists to equip and motivate missionaries, pastors and Christian people to advance the cause of Christ.

By providing building material, church supplies and medical supplies, so that the churches in the Philippines, Asia and around the world might be strengthened

A note from Pastor Alan Jenkins

I am truly excited about the new ministry called Harborlight Baptist Ministry. In September of 2005, Bro. Steve Anderson and I traveled to the Philippines and preached in several churches there, we were burdened to help pastors and missionaries in the Asian continent. What an opportunity to take the abundance that God has blessed us with and help to get the gospel out! We need your help. Will you partner with us in this great endeavor? Will you get behind brother Steve Anderson and his wife Gayle and do what you can to see this ministry fulfill the call of God on their lives? Remember the people are responding to the gospel in many Asian countries. Thank you so much for your prayers and faithful support.
