Dear Pastor,

Thank you for caring about missionaries like us and for your church's role in supporting missionaries. The Lord is faithful in using His Church to see His Word spread throughout the world. We are a ministry, meeting the needs of others out of the abundance that He has given to us. Our ministry is dedicated to serving the Lord with the help of God's people. Together we can melt the hearts of lost sinners, and bring joy and encouragement to believers. Jesus tells us in 1 Corinthians 3:9a “*for we are laborers together with God*”. Our joy is that we will be working together with pastors like you and your congregation, in utilizing the gifts that God has given each of us. We will be networking ourselves together for the furtherance of the Gospel. We want to bring excitement to the lives of the people in your congregation by supporting missions in a personal way. I believe that the Lord will honor and bless our commitment in working together to collect ministry supplies to send overseas. I also believe that the excitement of helping through missions will carry over into a greater support of other ministries within your church. As each person begins talking to others outside the church about what they can contribute, they will begin a process of opening a door to witness to them. We will be reaching out to the lost, as well as the saved, for contributions. By gaining experience in talking to others about what the Lord would have them give, they will be gaining confidence to become outstanding soul winners for the Lord and your church.

We cannot do the Lord's work alone. We need your support – by praying together with us, and by reaching out to your friends, family, communities and businesses to collect the much needed supplies. We also need your financial support. We are attempting to raise both personal support and financial support to send cargo containers overseas. I would love to have the opportunity to come to your church and present our ministry to you and your congregation. Please continue in prayer with us and see if the Lord is opening your heart, as He did ours, to this ministry.

Together we can make a difference around the world. Will you help?

You can reach me at 440- 835-5173, or email me at harborlightbapmin@sbcglobal.net with any question or to set a date. I look forward to coming to your church and meeting with you in person.

In Christ's Love,
Steve and Gayle Anderson
