Dear Pastor,

It is with great pleasure and confidence that I am writing this letter of recommendation for Steve and Gayle Anderson, missionaries with Harbor Light Baptist Ministry.

I have personally known Bro. Anderson for several years and find him to be a hard working, faithful man of God. God has led him to start an exciting new ministry of helps to the peoples of the Philippines and SE Asia.

Bro. Steve has been greatly gifted by God in a number of areas that I am certain will help him to be successful in this ministry. He is a capable leader, organizer, teacher, and servant. His easy going nature and friendliness always make him a joy to be around.

Although Harbor Light helps ministry is not a typical "church planting" ministry, it mission is directly related to the fulfillment of the Great Commission and the establishment of independent, fundamental, Baptist churches. I strongly encourage you to allow the Anderson's to present their exiting ministry in your church and to prayerfully consider them for financial support.

Should you have any questions concerning Bro. Anderson and the Harbor Light Ministry, don't hesitate to give me a call. I can be reached at 440/734-9970 or via email at stevewilliams@crbc-online.org.

In Christ,

Steve Williams

General Director, Harvest Baptist Missions

Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.
