Prayer Requests:

That heart doors would be opened in pastors, for us to present our ministry in their churches.

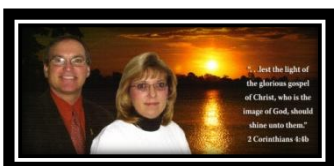

Financial support.

Financial support to build the new warehouse at Columbia Road Baptist Church.

Financial support to send the containers overseas.

Serving with

Dear Supporting Partners,

Thank you for your faithful financial and prayerful support for Gayle and I. We count it a special privilege to be a part of your ministry, as well as a part of your lives. Together we can make a difference, here, and around the world. Together, we are changing lives for Jesus Christ. Every second that it takes for you to read this letter, people are dying without Christ as their Savior, because more people are not surrendering their lives to Christ's missionary work. This leaves the burden to those who are on the field to work that much harder, with very little resources. Our heart has to go out to those missionaries, and pastors who are faithfully working for the Lord. They do it, because they have a love for the people, sometimes with great disappointment, but always staying on course.

It makes no difference whether we are in the Philippines, Africa, Brazil or anywhere else in the world. The need for support is great. It can be financially, building materials, medical supplies, or an encouraging word. It is greatly received, and brings much hope and encouragement to the missionaries, pastors, and their people. It shows them of Christ's love for them through us. Aren't you glad that you are a part of Christ's ministry through the Harborlight Baptist Ministry?

Spring has finally come. It is a great time to be out talking to people about Christ, who have been couped up all winter long. The harvest truly is plentiful. Continue studying God's Word daily, and pray that He would lead someone into your life each day to share the gospel with. There is no greater blessing than planting the seed of God into someone's life.

The Lord has been gracious and kept us very busy this year. Gayle is working with Pastor's wife, Kathy, with the 2 and 3 year olds. I have been filling in teaching when needed. I had the opportunity to give the devotions in the Masters Club for part of the year. This included presenting a gospel message at the Pinewood Derby race. Here are a few highlights of the race day.

We had a fantastic time at the races. Please continue to pray for our children. With all that goes on in their lives, they need to learn to rely upon the Lord for everything. What a wonderful witness they are to all they come in contact with. They can melt the coldest of hearts with the Word of God. That's why it is so important not to forget to train them in how to witness to others.

Finally, we ask that you would continue in prayer for the new warehouse. We are trying to raise the funds to build the new warehouse at Columbia Road Baptist Church. If you know of someone, or an organization that would like to help financially with this project, please contact us and we will get in touch with them. If you would like to see the drawings of the warehouse, please go to our web site. Also, the web site is looking great. We hope that you will visit our site and blog us. We appreciate your feedback on the site.

Gayle and I pray that you will continue in Christ's love and hope to see all of you soon.

In Christ's love always,
Steve & Gayle Anderson
